President's Message

Thomas C. Neri, Sr.
President

On behalf of the National Latino Peace Officers Association, Sacramento Chapter, I invite you to apply for one of the educational scholarships we award to students each year. Providing educational assistance to students who are pursuing higher education is one of our Association's primary missions.

Rafael Rodriguez.
First Vice President

The National Latino Peace Officers Association is a non-profit charitable organization promoting its members interests, sworn and non-sworn, as well as the community in which members reside. Our goals include ensuring the Latino community's interests are represented among law enforcement personnel by encouraging the hiring and promotion of a diverse workforce. Also, we seek to encourage a positive image and level of cooperation between the public and law enforcement personnel. By ensuring leaders in the Latino community and in law enforcement maintain an open and respectful dialogue in all matters, we believe the interests of the community at large will be better served.

Sal Rendon
Historian

The Sacramento Chapter of the NLPOA has provided thousands of educational scholarship dollars over the many years of its existence. While we hope those who receive these awards will seek to pursue a degree promoting Criminal Justice Administration, we do not limit the type of career or major an applicant may pursue for an award. Our goal is to provide qualified students of any gender, race, ethnicity, religion, or sexual orientation with the financial means to obtain a post-secondary education and become a productive and law-abiding member of society. By encouraging the pursuit of education, we believe that the individual scholarship recipients will be better able to contribute to the community in which they live.

Sincerely,

Thomas C. Neri, Sr.

Chapter President
